Rio Arriba County Detention Center Inspection Report
Conducted on October 31, 2013

The Detention Center inspection was conducted by County Commissioners Alfredo Montoya, Barney Trujillo, Danny Garcia, County Manager Tomas Campos and Assistant County Manager David Trujillo.

In the Kitchen area the mats, lighting and heater duct needed improvement. The booking desk top is chipped. There was mold and mildew in the showers. It was noted that an electrical outlet in the hallway to the pods was broken. In the women's pod the lights need attention. The sally port entry floor mats need replacing with griped mats or a painted grip.
